

About Hosparus

For more than 30 years, Hosparus, a fully accredited non-profit hospice organization, has provided care, comfort and counseling for people facing life-limiting illnesses in Kentucky and Southern Indiana. Hosparus cares for more than 5,000 patients and their families each year.

Our team of healthcare professionals and volunteers provide:

- pain control
- control of symptoms such as nausea, vomiting, shortness of breath and restlessness
- medication management
- personal care such as bathing, skin care and light housekeeping
- counseling and spiritual care

All services are delivered wherever a patient calls home: a family residence, a nursing home, an assisted living facility, an inpatient unit, or a hospital.

Bereavement Care

Our Grief Counseling Center, with offices in Louisville, Central Kentucky and Southern Indiana, offers the region's most comprehensive programs and services for children, adolescents, adults and families who are struggling with loss. These programs help people understand their grief experiences and provide them with practical and helpful tools for coping with loss.

Pediatric Care

Hosparus' Pediatric Team, "Kourageous Kids" annually provides the highest standard of hospice care for more than 70 seriously ill children. Hosparus care providers emphasize quality of life for the child, focusing on pain control, symptom management, emotional and spiritual support and coping resources. Families receive the reassurance they need to confidently care for their child at home.

For more information, visit www.hosparus.org. To reach our 24-hour care line, call 800-264-0521.
