

## End-of-Life Educational Booklets

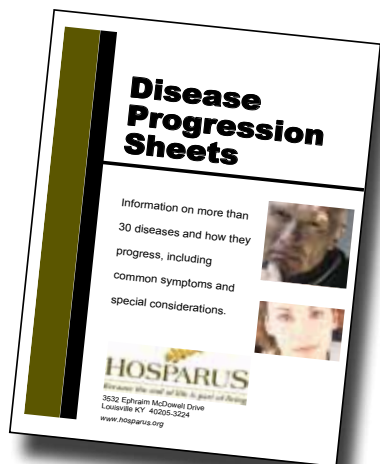

### Cultural Diversity in America: How Different Cultures Approach End of Life Issues

**George E. Webb, MD, Project Coordinator**

This compilation of 21 culture and 18 religion data sheets was designed to give health care providers baseline information in dealing with clients from diverse cultures. Perceptions of end-of-life, after-life, bereavement and other aspects of care vary widely with ethnicity and within cultures. These data sheets were developed in an effort to see that caregivers are at least acquainted with the basic information about a particular culture or religion. *Spiralbound softcover: 65 pages*

**Cost: \$20**

### Disease Progression Sheets

**George E. Webb, MD, Project Coordinator**

This publication includes information on more than 30 diseases and how they progress, including common symptoms and special considerations. *Spiralbound softcover: 171 pages*

**Cost: \$20**
